## Trojan Club

Anderson University alumni and friends can support AU's athletic program through the Trojan Club. The Trojan Club assists AU student-athletes with their educational needs and helps them succeed both in the classroom and on the field.

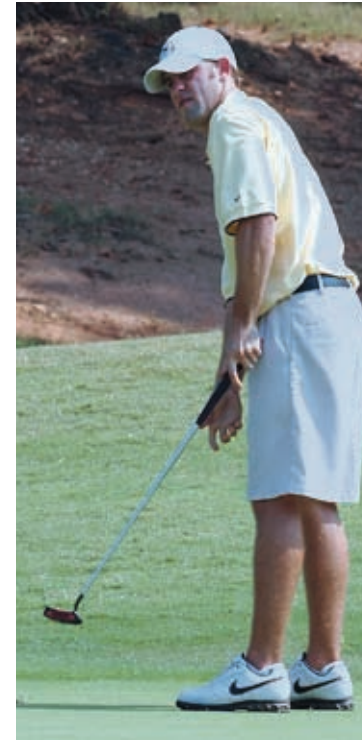

## Matching Gifts

Many employers will match contributions made by their employees to educational organizations. Contact your employer's human resource department for information about its matching gift program and to obtain the proper forms. Matching gifts may double the value of your Trojan Club contribution.

## Integrity, Sportsmanship, Championships

Welcome fellow AU Trojans, family, and friends. AU has a long and successful tradition in the classroom and on the playing field. The Trojan Club has long been the lifeblood of Trojan athletics supporting the academic needs of our 300 student-athletes. Our goal is to provide for the annual cost of the athletic scholarships. Please join me in supporting the 16 NCAA men's and women's sports teams of Anderson University. Your membership will help us continue the academic and athletic traditions at Anderson University.

Thank you for your support,

Chad Nelms '95  
Director of the Trojan Club
